

## The Ranch House:

### VENUE RENTAL

Just south of Calgary, The Ranch House rests in an opulent setting surrounded by 300 acres of polo fields along the eastern slopes of the Mountains. It is the ideal venue - away from the distractions of city centre, yet close enough for convenient access. It is a lovely heritage building with a warm cozy atmosphere. Built around 1920, it was originally used as the Army Officers mess building in Calgary and in 1999 lovingly moved and rebuilt in its current location between the berms at the Polo Club. Opportunities for spectacular photographs are everywhere.

Manicured polo fields and mountain views form the perfect backdrop to any weddings, social gatherings, corporate parties, conventions and more.
